

CTS2 - Casambi tactile sensor coupler

CTS2 Item.No.: 10.806

NEW

maintronic

- Perfect tactile and visual feedback
- Suitable for System 55
- Two additional inputs
- LED-Sync on multiple devices
- Second operation layer

CASAMBI

CTS2 combines a Casambi coupler and a Gira push button sensors to a highly responsive user interface.

Two additional isolated all-voltage inputs on the rear can be used for push-buttons, motion control and also for all kind of notification and alarm sensors. Each of the inputs can be mapped to any Casambi command. Status is indicated via the LEDs and synchronized with other CTS2.

Knowing the status of Casambi groups, scenes, timers or devices gives you a verbose and completely new experience of your Casambi installation. The backlitged front panel can be labeled with individual icons for perfect intuitive operation.

A second operation layer gives you access to additional scenes, saving costs and installation space.

This device is suitable for System 55 product range such as Gira, Berker, Jung, Merten and others with this common form factor. There are several push-button designs available up to your choice.

Connection and wiring additional pushbutton-inputs

Connection and wiring additional pushbutton-inputs to a PLC

Switch actuators

Flush mounted

Power supply	100 ... 250V AC 50/60 Hz
Power consumption	< 0,15W
Inputs (Gira TS2 Sensor)	6 tactile buttons wall control with LED feedback; backlight switchable with timer
Inputs (Casambi enabled push-button input)	2x inputs 12..250 V (AC and DC) for System 55 mains voltage push-buttons, PLC or motion detector
Casambi	Bluetooth Low Energy (BLE); App available for Android and iOS
Terminals Wiring	push-in spring connectors single-wire / fine-wire: 0,5 ... 1,5 mm ² fine-wire with ferrule: 0,5 ... 0,75 mm ²
Stripping length	9 mm (+/- 0,5 mm)
LED indicator	LED feedback status, button backlight
Type of protection housing Protection class	IP20 II
Temperature ambient (ta) Temperature critical (tc)	-20°C to +50°C +70°C
Applied standards	CE
Installation	flush-mounted
Dimensions (height; Ø)	h=32mm; Ø max.=55mm
Weight	0,056kg
Housing	fiber-reinforced plastic, white
Customs tariff number	85423190

Scope of delivery
